(CHADRON)-After a brief meeting Monday night, the Chadron city council selected Chadron resident Wayne Anderson as city manager elect for the city of Chadron. Members opted to vote by written ballot, and the vote was unanimous in favor of Anderson. Anderson was pleased with the results and is excited to get started.

Anderson is going to look over the employment contract and bring it back later in the week. Mayor Karin Fischer says the plan is to have everything in motion so that Anderson can be officially voted in at the council's August 6th meeting.
