<span style="font-size:12.0pt;font-family:"Times New Roman","serif"">Led by senior Kelsey Scott, the Chadron State College rodeo team had another big weekend at the Casper College rodeo this past weekend.

<span style="font-size:12.0pt;font-family:"Times New Roman","serif"">For the second time in the last three rodeos in the Central Rocky Mountain Region, Scott won the breakaway roping, was a member of the first place team roping entry and was the all-around cowgirl.

<span style="font-size:12.0pt;font-family:"Times New Roman","serif"">Scott, who is from Douglas, Wyo., also captured all three of those honors at the Colorado State University rodeo March 30-April 1. And, the points she earned led the Chadron State cowgirls to the women's team title at both rodeos.

<span style="font-size:12.0pt;font-family:"Times New Roman","serif"">Scott's times in the breakaway roping were 3.4 and 2.7 seconds. She was third in the first go-round and first in the finals.

<span style="font-size:12.0pt;font-family:"Times New Roman","serif"">In the team roping, Scott, who is the header, and the heeler, Matt Schieck of Sheridan College, were second in the first go-round in 6.9 seconds and won the championship go-round in 7.4 seconds.

<span style="font-size:12.0pt;font-family:"Times New Roman","serif"">With one rodeo to go in the region, CSC rodeo coach Dustin Luper said Scott has clinched qualifying for the College National Finals Rodeo in both events.

<span style="font-size:12.0pt;font-family:"Times New Roman","serif"">Chadron State cowgirls also won three of the top five places in the barrel race at the Casper rodeo. Freshmen Katie Loughran (Law-horn) of Broken Bow and Amy Deichert of Spearfish, S.D., were second and third, respectively, and senior Kaylee Gallino of Wasta, S.D., was fifth.

<span style="font-size:12.0pt;font-family:"Times New Roman","serif"">Senior Miles Spickelmier of Imperial also was fourth in the final steer wrestling standings.

<span style="font-size:12.0pt;font-family:"Times New Roman","serif"">Five more Chadron State contestants placed among the top 10 in the first go-round of their events to qualify for the finals.

<span style="font-size: 12pt; font-family: "Times New Roman","serif";">The last rodeo of the season in the region will be at the University of Wyoming this weekend.
