RAPID CITY, S.D. (AP) - Attorney General Marty Jackley says a 30-year-old Pine Ridge woman has been indicted on drug charges related to the discovery of 40 pounds of methamphetamine.

Victoria Lee Running Hawk was indicted Wednesday by a Pennington County grand jury on one count of possession of a controlled substance and one count of possession of a controlled substance with intent to distribute.

Jackley says the charges stem from a South Dakota Highway Patrol traffic stop on Interstate 90 in Pennington County, which resulted in the discovery of the meth.

Running Hawk was being held in the Pennington County Jail Friday. Attorney information was not immediately available.
