LINCOLN, Neb. (AP) - Nebraskans who enjoy spending time in the outdoors can now buy 2013 state park permits for \$25.

The permits, which are required to drive into any state park, recreation area or historical park, are available from the Nebraska Game and Parks Commission.

Once Nebraskans buy annual permits, they can buy duplicate stickers for \$12.50 each.

The permit stickers must be affixed to the lower corner of the windshield on the driver's side.

Anyone who doesn't want to buy an annual permit must pay \$5 for a daily permit.
