SIDNEY, Neb. (AP) - Cabela's Inc. is planning to open two new stores to sell outdoor gear and sporting goods in South Carolina and Minnesota in 2014.

The Sidney, Neb., company said Tuesday that the Greenville, S.C., store will be its first in that state. The Woodbury, Minn., store will be fourth Minnesota store.

The Greenville store will have 100,000 square feet when it opens in spring 2014 near the intersection of Interstates 385 and 85.

The Woodbury store will have 85,000 square feet and open in the fall of 2014 in the Tamarack Village shopping center.

Both stores will feature the company's distinctive log cabin exteriors and a display of mounted animals on an artificial mountain.

Cabela's runs 40 stores across the United States and Canada, but the company is expanding.
