(Neb.)-Handibus Wheelchair Lift Out Of Service

By: Chris Fankhauser Posted at: 03/14/2013 09:16 AM

(Chadron)-The City of Chadron would like to inform residents who may be using the handibus that the wheel chair lift is out of service until further notice. A problem has developed with the deployment mechanism of the lift.

The City is working on getting it repaired as soon as possible and apologizes for any inconvenience this causes. The handibus is still in service and is able to provide rides for citizens that do not require use of the wheel chair lift.

If anyone has any questions, they are encouraged to contact Handibus Supervisor Tony Serbousek at 308 432 0510. Once the lift is back in operation, an announcement will be made to local media.
