(Neb.)-Chadron Library Board Hears Proposals

By: Jeremy Anderson Posted at: 03/29/2013 10:38 AM

(Chadron)- As the Chadron Public Library looks to make renovations and additions, three different architectural groups presented their proposals this week as to what the future of the library could be.

Humphries Poli Architects of Denver presented on Monday evening, Geiger Architecture presented Tuesday evening, and Bahr Vermeer Haecker Architects of Lincoln presented last night as all three meetings were held in the Chadron City Council Chambers at City Hall.

The library is encouraging the public to put forth their opinions on what they would like to see, and which proposal presentation they were most satisfied with.

You can share your responses by picking up a paper form at City Hall or the Chadron Library. You may also go to their website, [chadron public library dot com](http://chadronpubliclibrary.com), or e-mail the library at [c pub lib 507 at gmail dot com](mailto:cpublib507@gmail.com).

All comments are requested no later than April 5th at 5:00 p.m. and upon receiving them, they will be considered by the library board.

We would also like to know our listeners' opinions, you can e-mail our news department at [news at Chadrad dot com](mailto:news@chadrad.com) or call us at 432-5545.
