By: Jeremy Anderson Posted at: 05/18/2013 10:01 AM

(Chadron)-The Dawes County Entrepreneur Leadership Training Academy (DELTA) participated in a tree-planting project on Saturday morning, May 18th. The 2012-2013 DELTA graduating class planted trees on the Dawes County courthouse lawn with the intent of giving something back to the Chadron community. Greener Nebraska Towns (GNT) is supplied the trees and other materials for the project as part of a continuing partnership with the U.S. Forest Service and Nebraska State Forest Service. Members of the public were in attendance see the work being done.

DELTA is a year-long leadership development class sponsored by the Nebraska Northwest Development Corporation (NNDC). Class members participate in monthly day-long sessions and complete a class project each year.
