(Neb.)-Sheridan County Commissioners Discuss Policies, Upcoming Bids

By: Roxie Graham-Marski Posted at: 03/11/2014 10:43 AM

(SHERIDAN COUNTY)-Present at the Sheridan County commissioners' meeting on Monday morning were chair Dan Kling, commissioners Jack Andersen and James Krotz, and county clerk Sindy Coburn. County assessor Trudy Winter was not available, so the scheduled meeting of the Board of Equalization did not take place.

The commissioners met with road superintendent Tom Kuester to review the policy regarding employee use of county vehicles. The board felt that the county's current practice is consistent with IRS regulations.

The commissioners agreed to request permission from the Nebraska Department of Transportation to dispose of the obsolete Dodge Minivan used by the Sheridan County Transportation System by means of public auction.

Kuester reported that bids for a new motor grader would be opened on Monday, March 24th, at 9:30 a.m. during the commissioner meeting. The county is seeking bids only on new equipment because the very high cost of repairs on heavy equipment now seems to offset any initial savings enjoyed on used equipment.

The board voted to authorize Kuester to sell some scrap iron valued at less than \$500.

Extension educator Cindy Tusler was scheduled to present an update on the extension office, but was unable to attend.

The next regular commissioners' meeting is scheduled for Monday, March 17th, at 9:00 a.m.
