(Neb.)-Residents, Businesses Invited To Downtown Revitalization Meeting

By: Roxie Graham-Marski Posted at: 03/10/2014 08:31 AM

(CHADRON)-The Chadron Downtown Revitalization Committee will be hosting Urban Development Services at an informational meeting on Monday evening, March 10th. The presentation of the master plan project will begin at 6:00 p.m. at City Hall council chambers, 234 Main Street. Those in attendance will be able to hear directly from owner Scott Day regarding future plans for the downtown Chadron area.

Urban Development Services, a company that specializes in design management and retail economics for commercial revitalization, was retained by the city of Chadron to conduct, research, and make recommendations to the community regarding downtown revitalization.

The plan that will be presented forms the basis for an application for Phase II of the Downtown Revitalization program, which is being funded by federal Community Development Block Grant monies and administered by the State Department of Economic Development.

Nebraska Northwest Development Corporation executive director Deb Cottier says the public is invited to attend this presentation, and business and property owners are specifically being encouraged to attend. She says the meeting is scheduled to last about two hours.
