(Neb.)-Radio Shack Won't Release List Of Store Closings Yet

RadioShack.

(Scottsbluff)- RadioShack says it is "not releasing a store closing list at this time" after reports the company is planning to close up to 1,100 stores in the U.S..

Spokesperson Maggie Thill indicated to KNEB News in a short statement through an e-mail that more information would be released later and the closings would still leave the company with a 4,000 store footprint.

The closings are due to a reported fourth quarter revenue loss that caused the company's stock to decline by double digits Tuesday.

The company has stores in Scottsbluff, Sidney, Alliance and Chadron.
