(Neb.)-Road Construction Begins On Highway 20 Through Rushville

By: Chris Fankhauser Posted at: 07/17/2013 11:42 AM

(Rushville)-Road construction is a familiar sight throughout the state of Nebraska during the summer months. Construction has started locally, with one project going through Rushville.

The current project is taking place on Highway 20/2nd St through the community of Rushville. Crews will be continuing work from Rushville all the way to Gordon with this project. It may put a bit of a damper on traffic traveling in the area, so drivers are advised to be aware of possible delays.
