(Neb.)-Foundation Raising Funds To Replace Aging 4-H Hall

HURON, S.D. (ASSOCIATED PRESS) - The South Dakota State Fair Foundation plans to raise more than \$4 million to replace an aging 4-H hall at the fairgrounds.

This three-year capital campaign, formally organized earlier this summer, will raise money to replace Clover Hall with a more versatile, open-layout exhibit hall. Clover Hall has been used since the 1950s for 4-H exhibits and competitions.

The new 46,910 square-foot exhibit hall will feature more than 35,000 square feet of exhibit space, multiple classrooms, a large kitchen for 4-H Special Foods competitions, year-round concessions and a performance stage.

Huron groups will be able to use the hall for off-season community events.
