RAPID CITY, S.D. (ASSOCIATED PRESS) - Investigators in the Black Hills have identified the woman whose decomposed body was found along a road near Mount Rushmore.

Rapid City and Pennington County authorities say 38-year-old Meshell Will, of Custer, was last seen Aug. 24.

Her body was found Aug. 31 off Iron Mountain Road and her identification was confirmed through fingerprints.

Autopsy results are still not back on the cause of death.

Authorities are encouraging anyone who may have seen Wills around the time she disappeared to come forward.
