(Chadron)-Two great workshops will be taking place at Chadron State College this week. Both workshops are being offered by the Braintree Business Development Center in Mansfield, OH.

Braintree Business Bootcamp is for anyone who is in business or just thinking about starting a business. The intense 3-hour workshop walks people through the critical elements of small business success and identifies their strengths and weaknesses. This workshop will be held Wednesday from 9:00 am -12:00 pm, at the CSC Student Center. The cost of the workshop is \$40.

The second workshop focuses on crowdfunding. Last year, nearly 2.8 billion dollars was raised through crowdfunding. People will be able to learn more about crowdfunding and determine if it might be a good fit for their business, or if they might want to be a contributor. This workshop will run from 1:00 pm -4:00 pm, also at the Student Center, with a cost of \$40.

People can register by contacting Tammy Dubray at 308-763-2002 or by emailing dubrayt@wncc.net. Those who sign up for both workshops will receive lunch at no additional charge.
