\*\*\*Possible Century Link Outage\*\*\*

By: Chris Fankhauser Posted at: 10/30/2013 07:30 AM

(Crawford)-The Sheriff's Office has reported that their telephone system is not operating correctly in Crawford, and are asking anyone in the Crawford area needing assistance to call the Chadron office at 432-3025. Upon investigation by the KCSR news team, it appears it is not only in Crawford, but all other areas receiving phone service from Century Link as well. Any calls placed to Century Link customers are met with either a busy signal, or a message saying all circuits are busy. We have attempted to contact Century Link via email to gain more information, and we will pass that along to our listeners as soon as we receive a response.
