Streaming For High School Sports

(KCSR)-After a few frustrations the new streaming program for Stereo AM 610 KCSR and 107.7 KBPY have been completed.

The update will allow us to stream more than one event at a time and will also provide better quality programming and allow a larger number of on line listeners to hear the stream.

For tonight's **Chadron vs Mitchell** Football game on line listeners can click on the [Listen Live](#) tab on the front page and then click the play button on the player at the top of the page. In a few seconds you should hear the game.

For tonight's **Crawford vs Hay Springs** game listeners can click on the [Listen Live](#) tab and then page down to the NETWORK ONE SPORTS 1 banner and click on it, and you should hear the broadcast begin in a few seconds.
