

## **(Neb.)-Printer Problems Cause Rapid City Journal Delivery Delay**

(CHADRON)-The *Chadron Record* is wishing to alert *Rapid City Journal* subscribers that the newspaper printer press has experienced a breakdown, so today's *Rapid City Journal* will not be delivered today (Wednesday). Subscribers will instead receive both Wednesday's and Thursday's papers tomorrow (Thursday). The *Chadron Record* was already printed, so the breakdown did not affect its Wednesday morning delivery. Also, the *Chadron Record* says it misprinted the date for County Government Day on page 4 of today's (Wednesday's) edition. The correct day is October 16<sup>th</sup>.
