(Chadron)-KCSR, KBPY and chadrad.com will be providing complete coverage of the 2013 Miss America Pageant from Planet Hollywood in Las Vegas all week. Miss Nebraska Mariah Cook will be competing for the crown, with the final event taking place on Saturday evening.

Cook is a Chadron State College Senior, and her grandparents live in Crawford. She will be taking part in activities all week long leading up to the final pageant event Saturday. KCSR/KBPY's Chris Fankhauser will be covering the activities in Las Vegas and reporting back to our listeners, as well as posting stories and pictures on chadrad.com.

Reports will begin on Tuesday afternoon, and will run until after the new Miss America is crowned on Saturday evening. SPOILER ALERT! The pageant will not be aired in Chadron and the surrounding area live, and the crown will be awarded prior to the airing. Chris will still be reporting, so anyone who would like to be surprised is warned that chadrad.com will have current information!

Stay tuned all week long for current reports from Planet Hollywood in Las Vegas, Nevada, as we bring all of the action to our listeners.
