

(Neb.)-NDOR Prepares For Construction Season

By: Jeremy Anderson Posted at: 03/18/2013 02:04 PM

AINSWORTH, Neb. (AP) - The Nebraska Department of Roads says drivers should be prepared for the start of highway construction projects. Some are set to begin next month near Johnstown and Thedford. Traffic will continue to move through the construction areas, but the flow will be reduced to one lane during the day.
