

**(S.D.)- Pine Ridge Internet Library Host Grand Opening**

By: Jeremy Anderson Posted at: 04/01/2013 02:12 PM

(Pine Ridge)- The Oglala Sioux Tribe Office of Economic Development would like to invite the public to attend the grand opening of a new internet library and technology center on the Pine Ridge Reservation.

The Oglala Sioux Tribe recently established a tribally-owned telecommunications service provider, Native American Telecom-Pine Ridge, LLC to address the economic, educational, and social needs on the Pine Ridge Reservation. The new center will offer a wide arrange of opportunities such as online education, to free internet and telephone services.

The grand opening will be held Tuesday morning, April 2nd at 10:00 a.m. at the Internet Library and Technology Center located at 10 White Tail Deer Road in Pine Ridge. Refreshments will be served and tours will be given throughout the grand opening.

If you would like to RSVP, email info at pine ridge telecom dot com or call 605-562-2223.
