(Chadron)- As new businesses make their way to Chadron, some businesses are just moving to new locations. Morford's Decorating will soon call the old Bomgaars building its new home. Merle Morford of Morford's Decorating says that contractors are on site finishing the front of the building and interior electric fixtures.

**Sound In Story**

Morford says the next step is shifting product from their current location to the new store.

**Sound In Story**

Morford says that the new location won't change what they offer to customers, but allow more of what they already have.

**Sound In Story**

Morford says he is excited about the new location, and feels it will offer more exposure for his business.

**Sound In Story**

Morford's is currently located on West 3rd street in Chadron, but following the move will be located on West 6th Street.
