(Chadron)- The Chadron School Board will be holding a meeting Monday evening in the central board room at 5:30 p.m. Items on the agenda to be recognized or discussed include recognizing the 7th grade project over the Pony Express, an 8th grade project on Nicolaus Copernicus, and the 10th graders project on Veronica Parish.

In new business on the agenda are four different policies that will be reviewed, as well as proposals for the high school roof, financial support for students taking part in the National History Day and a transportation request from the Wanderlust Cardinals.

Superintendent's reports will be given as well as taking any necessary action on certified contracts for 2013-2014, including an individual teachers' contract.

The meeting is open to the public, and all are welcomed to attend.
