

(Neb.)-City of Chadron Garden Spaces Now Available

By: Chris Fankhauser Posted at: 04/10/2014 09:14 AM

(Chadron)-The grass is greening up. Flowers are beginning to bloom. Robins are singing the song of spring. That means it is time to start thinking about planting gardens. Many in Chadron have ample room to plant, while others do not. This is why the City of Chadron offers a place for residents to exercise their green thumbs.

Chadron Community Garden spaces will be available for leasing starting this Tuesday, April 15. The garden, located in the 800 block of West 6th Street, will be ready for planting and watering on Friday, April 18.

The plots will be leased for the season as follows: Large (55'x30') \$30; Small (30'x30') \$20. Reservations may be made at City Hall, 234 Main, during regular business hours. Instructions and a map of available plots will be available. Payments must be made at the time of selection, with checks made payable to the City of Chadron.

Spaces will be leased on a first come, first served basis. For more information, call City Hall at 308-432-0505.
