(PANHANDLE)-What would you do if someone knocked on your door and asked you to share your life story with the rest of the world? That’s the concept behind the reality series, “The Story Trek.” Destinations for “The Story Trek” are randomly selected, unplanned and completely unscripted.

The Story Trek team only has a general idea of where it will be filming, and no idea who will be featured in the show. A new Story Trek episode entitled “America: The Best of the Best” features four residents from Alliance, Ellsworth and Scottsbluff. It is scheduled to air on Monday, July 15th at 9:00 p.m. on Charter channel 190, Dish Network channel 9403, and DirecTV channel 374. It will also be streamed at www.byutv.org. The episode will also feature a segment highlighting Carhenge and the Scottsbluff National Monument.
