

(Neb.)-Chadron PD Raising Funds For Shop With A Cop

By: Chris Fankhauser Posted at: 11/06/2013 02:52 PM

(Chadron)-It is time once again for the Chadron Police Department to begin collecting donations for their "Shop With A Cop" program. The "Shop With A Cop" project was established eight years ago and all donations are used to purchase food and gifts for less fortunate children within the community. The children have the opportunity to go shopping with a police officer and firemen, which is a fun and exciting (sometimes interesting) experience for the children and the officers and firemen as well.

The Chadron Police Department would like to say "Thank You" to all the generous citizens and businesses for their years of support with this project. Area children would say it has been a huge success!

The 2013 holiday fund drive, "A Little Change Can Make a BIG One," will present an opportunity for people to help out. Area businesses will have Culligan water bottles located near their registers where donations can be collected. Donations can also be brought or mailed to the Chadron Police Department located at 125 Main Street Chadron NE 69337. If anyone has any questions, they can contact the Chadron Police Department @ 432-0510 or School Resource Officer Aron Chrisman.
