(CHADRON)-Residents in Chadron and the surrounding area will have another opportunity this weekend to help provide financial support for one of their community's families who will soon be struggling with medical expenses and other associated costs.

Nine-year-old Brook Herman will soon be having surgery on her legs in Minneapolis, Minn., to improve her walking ability, and the treatment plan will involve multiple trips to the Twin Cities along with overnight stays.

The Chadron Knights of Columbus will be hosting a chili supper fundraiser on Sunday, November 10th, from 4:30-6:30 p.m. at the Assumption

Arena in Chadron. The Knights are seeking to help defray the costs of travel for Herman and her family as they voyage back and forth between here and Minneapolis. A free-will offering will be charged at the door, and the evening's proceeds will be presented to the family in an effort to assist with their traveling expenses. Everyone is welcome and invited to this event.
