

(Neb.)-Teammates Once Again Offering Parent's Night Out

By: Chris Fankhauser Posted at: 11/20/2013 03:18 PM

(Chadron)-As announced earlier this fall, a group in Chadron will be providing childcare for parents in town who need a little break from their bundles of joy, or maybe just some grown-up time. The Teammates Mentoring program is hosting a "Parents Night Out" this Friday evening.

Students will be offering child care for potty-trained children 3 years old–4th graders from 6:15-9:15PM at the Chadron Intermediate School, formerly known as Kenwood Elementary.

The cost is \$5 per child. Parents are asked to please register at least 2 days prior to event so we have enough staff, crafts, and food. To register, email specialprojects@wchr.net, or call Sherri Blome at 432-8190.
