Chadron's Kelli Haynes shot 172 over two days to win the 12th Annual Nebraska Lions High School Senior All-Star Golf Tournament at the Meadowlark Hills Golf Course in Kearney.

The two day, 36 hole tournament featured 15 high school seniors who each finished within the top 15 of their classes at last fall's state tournament, including Class B champion Kaylee Samway of McCook and Class C champion McKenna Kime from Grand Island Central Catholic.

Haynes was remarkably consistent throughout her high school career, and continued that trend by shooting 86 during each round to win the event by one stroke. Haynes finished fifth in Class C at the state tournament in 2012 and third in 2011.
