The Chadron golf team had another tough day Tuesday at Scottsbluff Country Club, finishing 11th in a 12 team field.

"We let some bad shots turn into huge numbers today, the country club course will do that to a lot of players," coach Randy Burk said. "It was good to play there and get an idea of how we need to get around the course better before districts next Monday."

Alec Burk was the low score for the Cardinals with a 91. As a team Chadron shot 401.

Scottsbluff dominated on its home course with a blistering 293. Andrew Holloway won the individual title again for the Bearcats by shooting 71.

Chadron will be back in action Thursday in Ogallala.
