LARAMIE, Wyo. (AP) - Kereston Thomas has quickly become one of Wyoming's top sprinters.

The freshman from Rawlins recently set the school record in the 100-meter dash at 11.68 seconds.

She gave notice to the rest of the Mountain West that she'll be ready to compete for a title at the conference meet this week in Las Vegas.

UW track and field coach Bryan Berryhill says that he could see the record coming for Thomas because of her competitive nature.

Thomas says that she likes running the 200 better than the 100. The other event Thomas competes in for UW is the 4x100-meter relay.
